## Reef Guardianship Commitment

*Our Staff and Students pledge to undertake the following: (please tick the undertakings your school/class are going to commit to)*

- Incorporate the Great Barrier Reef as a topic in the school curriculum.
- Support the development of student knowledge about the Great Barrier Reef.
- Take a class or whole school approach to the sustainable management of our resources.
- Manage and develop the school grounds and surrounding areas in accordance with the principles of protecting the Great Barrier Reef.
- Identify learning opportunities for students to manage activities in the community in accordance with the principles of protecting the Great Barrier Reef.
- Influence the community to question its attitudes towards its impact and use of the Great Barrier Reef.
- Inform the school community about Reef Care Projects and initiatives.
- Participate in reef education activities at all year levels.
