

Well done -
you did it!

Yummy!
BOX JELLYFISH

TIP: You can help
turtles by picking up
rubbish before it gets
into the ocean.

Help the turtle find the jellyfish

Colour the codes on
the path to help your
Ozobot turtle avoid the
rubbish and find a
jellyfish to eat.

Turtles often mistake
plastics and other
marine debris for food.
If eaten, it can block
their gut and make
them sick, or worse!

Almost there,
do a cool move
here to celebrate

Choose a
direction

Turn right to avoid the marine debris
