Water Education Program

Empowering children to become
**water & nature
ambassadors**

Open to all
schools in
QLD to
apply

Open to Year 4, Year 5, and Year 6 students from QLD schools, this program offers:

- ✓ Teacher training with Indigenous and Earthwatch Australia water experts
- ✓ School grants to support program-related activities
- ✓ Creation & presentation of peer-teaching workshops
- ✓ School events & online platforms to present workshops to peers
- ✓ Access to a suite of program-related teaching materials
- ✓ Planning & creation of environmental action projects at school
- ✓ Young Australians becoming local, national & global Water Ambassadors

We are currently accepting applications from teachers to participate in this water literacy and student empowerment program (begins Term 3 2025).

Click the button to apply, or go to: <https://earthwatch.org.au/education/school-programs/mizuiku-nature-and-water-school-program>
